Favorite series

Too hard to choose! *The Comeback* for ultimate awkwardness, *Utopia* for off-beat darkness, *The Affair* for the deceitful nature of truth-telling, *The Marvelous Mrs. Maisel* for recognizing stakes in everyday banality and *The Handmaid's Tale* for putting one of my favourite novels on screen.

The last series you binge-watched

Succession. Utterly addicted to the abhorrent characters. I love to hate them all, yet find myself fully empathizing/understanding their intricate relationships – the mine-field of personal and professional dynamics that arise when part of a large family clan.

The next series you planned to watch

Giri/Haji – a detective story set between Japan and the United Kingdom. With my work experience: I am very fond of checking out international co-productions.

A character of a series you could embody

Alyssa, from *The End of the F**king World* – not for the consequences she has to bear, nor would I necessarily want to be 17 again: but perhaps it would be nice to adopt her “I don’t give a f**k attitude” – even if just for a little while...
